Letter NO-1447

Dated- 10/12/2021

BUILDING SAFETY CERTIFICATE

As Per the request received from The Principal, Azim National School, Bahadurganj dated- 25.11.2021 for visiting the school in connection with issuing the Building Safety Certificate for the purpose of CBSE Affiliation according to CBSE Affiliation Bye Law- 2018, I have visit to the School Campus on 03.12.2021, and on the basis of my field visit, I hereby to certify -

That the school building plan is prepared, approved and certified by a registered Architecture. The Entire School building and boundary wall is found to be in good working condition and constructed as per building safety norms of the government. The school building is found to be in good condition in purview of safety and fit for ruining a school.
